Press Release

Lamplight Communities, LLC Acquires Leland Residences in Richmond, IN

Family-Owned Lamplight Communities began operations of the Leland Community September 15, 2010

Richmond, IN September 15, 2010: Toronto, OH-based Lamplight Communities, LLC has acquired operations of Leland Residences, the 89-unit Senior Community in Richmond, IN. The newly named **Lamplight Inn at the Leland** is an Independent Senior community. This is the fourth property acquired by Lamplight Communities in 2010. Lamplight Inn at the Leland is applying to accept the Indiana Assisted Living Waiver through the Area 9 Agency on Aging.

In addition to accepting the Medicaid Waiver, Lamplight Inn at the Leland has plans to do a few renovations to the building. "There are certain features that we must invest in to become an Assisted Living community. We will install hand rails throughout the building as well as add several roll-in shower stalls and a personal emergency call system," says Severine Petras, CEO of Lamplight Communities. "We promote our residents to be as independent as possible, while providing them with the proper care when they need it."

Lamplight Communities is a family-owned business committed to providing residents with superior quality and compassionate care regardless of their economic resources. Lamplight Communities partners with family members, caregivers, health professionals and the surrounding local communities.
